

FOR IMMEDIATE RELEASE

April 5th, 2017.

MUNSU Recognition

“Metro Youth Parliament has been recognized by the Memorial University Students’ Union.”

Metro Youth Parliament (Metro) is excited to be recognized by the Memorial University Students' Union (MUNSU). We applied for recognition during the 2017 Winter Semester and we received official confirmation early last week.

We are looking forward to the many forms of support that MUNSU can offer in order for us to continue our successes and grow the organization. We are also very excited to join the student community that many of our delegates and executive are already part of and get more students involved with our organization and enable them to learn more about Parliament and the importance of it in our democracy.
