

FOR IMMEDIATE RELEASE

November 29th, 2016.

Fall Session (2016)

"Metro Youth Parliament (MYP) just concluded it's Fall Session. It was great to see new faces amongst the returning delegates. It was a weekend of informed debate and lots of fun."

There are a number of well deserved acknowledgements and people to recognize. First and foremost, thank you to all of the delegates, members of government, opposition and additional house positions for doing your part to make session successful. A big thank you to Gerry Rogers, MHA for St. John's Centre for serving as our Lieutenant Governor and also taking part in a lunch meet and greet with Bernard Davis, MHA for Virginia - Waters Pleasantville and Steve Lent, MHA for Mount Pearl North. It was great having all three parties represented. Thank you to McDonald's and Tim Horton's for providing refreshments. Lastly, a thank you to the outgoing executive - President, Ryan McDonald, Vice-President Pierce Collier, Treasurer Katherine Stevenson and Secretary Jordan Collier. Best of luck in your future endeavours.

It would be amiss of us not to take a moment and talk about Ryan Steeves, a veteran of MYP who is unfortunately aging out. Ryan is a former President and a major force in the house, we are going to miss having your personal anecdotes and witty debate style, best of luck in retirement.
